

Example documents for complete thesis submission

Students must prepare document files for submit directly to Graduate school via email ***thesis62.submission@gmail.com*** within “Last date of submission: complete thesis to Grad CU”

The following documents are required;

1. Document for submission

The document is able to be downloaded from the iThesis system (after the advisor “approved complete thesis/dissertation”) with a thesis/dissertation advisor and student’s signatures.

2. Thesis/dissertation approval page with a thesis/dissertation committee and *faculty’s dean signatures (program coordinator will give this document to you after getting faculty’s dean signatures, *see detail below*)

3. Abstract in Thai with a thesis/dissertation supervisor and student’s signatures.

4. Abstract in English with a thesis/dissertation supervisor and student’s signatures.

***After the students pass the thesis defense exam: students must send the thesis approval page with all committee signatures to the program coordinator** and when getting the thesis approval page with all committee’s signatures from students, **the program coordinator will process to get the Graduate school ’s dean signature and send it back to the student (Graduate school need the time for this process)**, next step, student can submit complete thesis to the Graduate school within the deadline. Therefore, students should pass the thesis defense before last date for submission complete thesis to Graduate School at least 1 week.

1. Document for submission

The document is able to be downloaded from the iThesis system (after the advisor “approved complete thesis/dissertation”) with a thesis/dissertation advisor and student’s signatures.

AFTER DEFENSE

Document for submission

- The document is able to download after supervisor “approved complete thesis/dissertation”

Thesis Title	example
By	
Field of Study	Nanoscience and Technology
Thesis Advisor	Assistant professor SUKKANESTE TUNGASMITA, Ph.D.

Accepted by the GRADUATE SCHOOL, Chulalongkorn University in Partial Fulfillment of the Requirement for the Master of Science

example
Dean of the GRADUATE SCHOOL
(Associate Professor YOOTTHANA CHUPPUNNARAT, Ph.D.)

THEESIS COMMITTEE

example
Chairman
(Professor VUDHICHA PARASUK, Ph.D.)

example
Thesis Advisor
(Assistant professor SUKKANESTE TUNGASMITA, Ph.D.)

example
Examiner
(Associate Professor NUTTHITA CHUANKRERKKUL, Ph.D.)

example
External Examiner
(Sanpon Vantasin, Ph.D.)

After pass the thesis defense, students must send the thesis approval page with all committee signatures to the program coordinator and when getting the thesis approval page with all committee's signatures from students, the program coordinator will process to get the Graduate school 's dean signature and send it back to the student (Graduate school need the time for this process)

3. Abstract in Thai

with a thesis/dissertation supervisor and student's signatures.
